Dear Mr. Carter,

I absolutely oppose granting Wal-Mart FDIC insurance for its industrial loan company (ILC) in Utah.

That would be a foot in the door, and soon the banks would be feeling the same effect as the retailers.

The Gramm-Leach-Bliley Act addresses the issue of mixing banking and commerce!  
Bad idea!

Good grief! How much money do the Wal-Mart heirs need?

This nation is being eaten alive by greed. Are you going to assist in another return to corporate imperialism?

A concerned capitalist, but not such a greedy one,
